

Govt of Punjab  
Revenue Rehabilitation and Disaster Management  
( D.M -1 Branch )

To All the Deputy Commissioners ,  
State of Punjab

Memo no. 11/22/2020-5.D.M-1/ 7154  
Chandigarh , dated 6/4/20

Subject Item & Norms of assistance from the SDRF In wake of Covid 19 virus  
outbreak

Ref Ministry of Home Affairs , NDMA No 33/4/2020/NDMA-I dated  
14.03.2020

I am directed to inform you that reasonable amounts have been released out of the SRDF to DCs of all the districts. Among other things, these funds can be used for food, medicines, shelter and sanitation etc. for the notified quarantine camps.

In the present context, it is understood that in many districts the funds available departmentally with the Civil Surgeons as well as the Principals of the Medical Colleges and the Baba Farid Institute of Medical Sciences are quite limited.

SDRF funds can be equally applied to take care of the suspected or confirmed COVID-19 patients admitted in such Government/Government-managed (for example Gian Sagar ) health/medical institutions. This would include not only food and medicines but also other consumables, clothing and laundry etc. required for the proper care of the patients.

These funds can also be applied for purchase of other medical consumables minor equipment, including PPE if urgently required, ICMR-approved testing kits, if available AND urgently required.

Minor repair, maintenance and sanitation the buildings and routine maintenance of the medical equipment can also be undertaken out of these funds.

Endst no.11/22/2020-5.D.M-1/ 7155

  
Deputy Secretary, Revenue
