Subject : Format for Quarantine and Isolation facilities mapping in the State

Sir/Madam,

Anticipating the risk of potential spread of Covid-19 across the country, there is an urgent need to identify quarantine and isolation facilities across all the districts within the country.

2. Every State is advised to identify at least 5 facilities each and 5 facilities in reserve in each district and convey to NDMA by 15th March 2020 on gislab@ndma.gov.in with a copy to jamp@ndma.gov.in.

Quarantine facilities to be identified and mapped at the district level :

(Places / Buildings, which host more than 50 people with all necessities available for minimum 2 weeks)- Especially for people to be kept under surveillance and quarantine, who may have been exposed to the positive case of Covid-19.

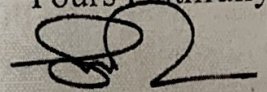

Sr No	Name of Hotel/ Resort /Social Hall / Shelter / Others (Specify) with Address	Lat Long coordinates	Contact Person mobile number &	Capacity
1				

Isolation facilities to be identified and mapped at the district level :

(Designated Healthcare facilities with capacity to isolate atleast 20 people with all basic treatment and care as well as individual isolation) for confirmed Covid-19 cases and suspected cases with symptoms to be tested.

Sr No	Name of Hospital with address	Lat Long coordinates	Contact Person & mobile number	Capacity
1				

Yours Faithfully,

(Sandeep Poudrik)
