To

The Director
Department of Medical Education and Research

Subject: Quality Control audit of Sampling of Covid -19

Reference subject mentioned above, this is to inform you that Hon'ble Chief Minister Punjab has desired that regular quality control audit of teams doing sampling and packaging of samples has to be done. It will be highly appreciable if teams from Department of ENT from the three Govt Medical Colleges are instructed to visit the linked districts (2-3 districts in a week). The visiting teams from Department of ENT may ensure that

- i) Samples are being collected by a trained doctor
- ii) IPC is being ensured while sample collection
- iii) Sample packing and transportation is being done as per protocol of ICMR

Wherever required the team may do handholding of the district teams for sample collection, packing and transportation. The report of the teams from each Govt Medical College may be sent on directorhealth-pb@punjab.gov.in and outbreakcellpunjab@gmail.com.
