DEPARTMENT OF HEALTH & FAMILY WELFARE, PUNJAB
Ph. 0172-4012021

ADDENDUM

IN VIEW OF EMERGING SCENARIO OF COVID-19

With reference to advertisement dated 02.04.2020 published on Department's website www.nhmpunjab.in and <http://doctors.shapunjab.in> regarding providing online training to Medical and Para Medical Volunteers who had registered online on web portal <http://doctors.shapunjab.in> for providing volunteer service on daily basis as per requirement of the Department. In this connection we also invite doctors who had applied and appeared for walk in interview dated 17.02.2020 for post of Medical Officer under National Health Mission Punjab to apply on the online web portal <http://doctors.shapunjab.in> and register themselves for undergoing online training being provided to combat COVID-19. It is made clear here that this registration is for providing volunteer services only and should not be considered as an offer of appointment by the Department. After completion of online training the services of the doctors may or may not be availed depending upon the requirement of the Department. The list of doctors who had appeared for interview is also displayed herewith.

For any other updates please visit <http://doctors.shapunjab.in> and <https://nhm.punjab.gov.in> regularly.
