

## CORRIGENDUM

1. The scrutiny of forms has revealed that 67 candidates have not given district wise preference, while erroneously, Chandigarh has been mentioned in the list of the districts that the candidates may choose. Candidates who have filled “Chandigarh” as a preference- Ist, IInd or IIIrd are, therefore, required to re-fill the choice for some other district while the candidates who have failed to fill any district preference are also required to fill and finalize the district preference. However, for the purpose of equity and fairness, another opportunity is being provided to all 2146 candidates, who have applied for the MO empanelment, to refill their district preference and the no of preference of districts have also been increased to 5( Five).
2. Name of the board/university filled by the candidates in the option for MBBS/Foreign Medical Graduate Examination has been standardized and auto replaced in the system. PG Diploma/PG degree has been made editable, candidates are advised to recheck and finalize the same.
3. The option of the City/Tehsil in the address details has been replaced with Rural/Urban Field. Candidates are advised to refill the same. **The candidates residing in the Urban area shall select the Urban option from the Rural/Urban drop down and thereafter, shall select the City of residence from the drop-down menu while the candidates residing in the Rural area shall select the Rural option from the Rural/Urban drop down and thereafter, select the name of Tehsil from the drop down menu. However, the detailed address shall be filled by all the candidates.**
4. Only the above-mentioned fields for all the candidates have been permitted for editing while other fields will be seen in a disabled form.
5. All the 2146 candidates who have applied are advised to re- check their details and update the form by 28.7.2022 (5 PM).
6. A separate SMS on the mobile used by the candidate to login the form is being sent separately with the following message: -

“Please cross check your entries in the form submitted for empanelment of Medical Officers for Health Clinics/HWC Clinics/Mohalla Clinics and re-submit it. For more details please refer to the website <http://nhm.punjab.gov.in/> .
7. No correction/updation shall be permitted after 28.7.2022 (5 pm)
8. Counselling will be held at district level on 29.7.2022 (10 am onwards). Applicants are requested to take signed printout along with relevant documents (DOB, Residence proof, MBBS degree/PG, Experience proof, Passport size signed photograph) and are advised to reach the respective counselling venue of the district of their residence. Candidates applying from other than State of Punjab should reach to their Preference 1 district for counselling. The venue for each district shall be notified by 27.7.2022.
