ANNEXURE II - CVO GUIDELINES

Systems improvement – Guidelines regarding hiring of vehicles by Government offices

1. The Commission has come across instances of hiring vehicles owned by near ones/relatives of Government servants, for operational/staff car purposes, either without following the due processes of tendering, or by following such procedure as an empty formality by getting three or more quotes from interested parties at pre-determined prices. It is further seen that majority of the vehicles so hired are not registered as taxi/transport vehicles but are registered as private vehicles. There are also allegations that some officers are buying high end expensive cars in the names of their relatives or persons known to them and are taking such vehicles on lease allegedly for official purposes.

2. The Commission is of the view that such a practice virtually amounts to carrying on private business by the officers which is a prohibited conduct. Accordingly, the Commission advised Ministry of Finance and DoPT on 12.08.2016 to prescribe guidelines and procedure to curb such undesirable practices in hiring vehicles and that an open, transparent procedure through which vehicles registered as taxi or public transport are hired to effect systemic improvements and prevent such undesirable practices.

3. As advised by the Commission, the Department of Revenue, Ministry of Finance vide Circular No. 13011/50/2016-Vig dated 23rd September, 2016 issued instructions to prevent corrupt/undesirable practices in awarding contracts for hiring of vehicles to Government offices. D / O Revenue advised all HoDs and concerned officers of the attached/subordinate offices of the Department to ensure that in addition to the existing provisions/rules for hiring of vehicles, the following instructions are duly complied with:

- (i) Only vehicles registered as taxi or public transport vehicle are hired;
- (ii) Log book is maintained as in case of Department vehicles.
